TSACO Author Instructions for Visual Abstracts

- Visual abstracts should be *one slide only*
- Visual abstracts need to be mainly pictorial other than key messages- they are not conference posters
- You may use free graphics from sites such as flaticon.com and allppt.com
  - Authors are welcome to use their institutional graphic designers to improve the aesthetics of the presentation (optional)
- The TSACO Social Media team will review all Visual Abstracts prior to publication
  - If your paper has been accepted, please submit your visual abstract to social.tsaco@bmj.com with the following:
    - Please attach the file as a Microsoft Powerpoint, with file name Visual_abstract_ManuscriptID
    - Subject line: Visual abstract for [Manuscript ID]
    - In the email body, please include:
      - Author Twitter accounts and/or any relevant institutional Twitter accounts
      - 240 character summary for distribution on Twitter
- If you have any questions, please contact info.tsaco@bmj.com and social.tsaco@bmj.com
